Date: April 10, 2024 check in 9:30am

1:15- Departure

Full schedule at the bottom of this document

Where: Memorial School,

Washington Boro School District, 300 W. Stewart St.

Coordinators: Rebecca Snyder and Kelly Jones

Event Details: Students will rotate through 4 or 5 stations of strategic games and activities. - Students participating in the Rubik's cube competition will be pulled to complete the preliminary rounds.

After a short lunch break all students will watch the final round of the Rubik's Cube competition before departing.

Rubik's Cube Information Warren County Consortium for Student Enrichment: Rubik's Cube Tournament for Grades 5.

There are 3 divisions:

Novice: Solve one side of the cube for speed;

Scholar: Solve the cube using the manual or your own notes

Master: Solve the entire cube for speed. Rubik's Cube Website:

<https://www.youcandothecube.com/>

Prizes will be awarded to the top three overall finishers in each division.
A certificate of participation will be provided to each participant.
Participation in the tournament requires the use of traditional Rubik's Cubes, either that brand or similar. Cubes will be available for use the day of the competition.
Speed Cubes with rounded corners (as pictured in the attached image) will NOT be permitted for use during the tournament.

Cubes will be thoroughly mixed for 30 seconds to a minute. An online timer can be found at <https://solvethecube.com/timer> that uses a computer keyboard spacebar to start and stop. Speedstack timers will be used at the competition.
